

## Christmas in a Shoebox 2021

Every year, a **Christmas party for the homeless takes place at the Lichtenberg homeless shelter.** This year, due to the Corona restrictions, it will not take place in the traditional form.

Nevertheless, those responsible would like to organise something for the homeless and, among other things, send them a Christmas parcel.

For this occasion, parcels/shoe boxes will be collected for the participants of the celebration. Each of the homeless people who are able to come to the party or hand-out will be allowed to choose one of the parcels.

### What can go into such a parcel?

Hygiene products such as masks, pants, gloves, hats, cold/heat insulation, a talisman, money (?), chocolate, a voucher for a cup of coffee together or something similar.

### What else can you think of?

.....

### What should not go in?

Alcohol, perishables, glass or other breakables.

Please pack a box for a woman or a man, or for a woman with a dog or a man with a cat, etc. and mark this on the box or wrapping paper accordingly.

**The collection will be on 09.12. The Christmas party will take place on 13.12.**

You are welcome to drop off your parcels at our office in Hessische Str., but we would have to arrange one or two appointments, as I am not often on site at the moment, or you can bring them to my house, where I will pick them up, or you can bring them directly to Lichtenberg.

Maybe you would like to pack a parcel.
